TRIP TO POLAND

We met in the train's station with our teachers. After this, we took the train to Málaga. We arrived to Malaga at 16h 30 and we stayed two hours waiting for the airplane in the airport. After 2.00, we took the aeroplane and we arrived in Berlin(Germany) at 22.30.

That night, we slept in a hotel called "City Hotel am" Gendarmenmarkt.

The next morning, we woke up early and all the day we were walking around the city. In that day, we saw old building , monuments...

At night, we took the bus with the Greek teachers and we travelled to Legnica(Poland)

When we arrived in Legnica at 2.00 a.m. we were very tired of the trip.

The Polish people were waiting in the station to pick us and to go to Lubin, their town.

We stayed five days in Poland with our partner and teachers and on Friday night we took the bus to back to Berlin.

We arrived at 2.00 a.m. in Berlin and we went to the hotel to sleep.

We stayed three days in Berlin (Saturday, Sunday and Monday), while we were seeing the city and the monuments.

On Monday afternoon, we took the airplane to Malaga and we arrived at 20.00 approximately.

A Great Trip!

A VISIT TO POLAND

We were for four days in Poland:

We arrived at 2:00 o'clock in the morning to Legnica. When we got off the bus the families were waiting for us. They picked us up in their cars because there were no buses there. We went to our houses and we were introduced.

The first day. In the morning we went to school, there we met, everybody was introduced saying something about each country. They showed us the school and when we finished we went with our families. In the afternoon we went out all together.

The second day. In the morning we went to school and there the students performed a play about miners. After that in the afternoon each student went with her family.

The third day. This day was the best day of the trip. In the morning we went by bus to Wrocław city, which is one of the most important cities of Poland. We spent there all the morning and the afternoon. We visited the monuments. It was a wonderful city! After that busy morning we took the bus and we went back to Lubin we went to our houses, had lunch and then Polish students took us to a disco.

Last day, we went to school to say goodbye to everybody. But before leaving. We went to play bowling and then we packed our suitcases and went to Legnica, where we took the bus to Berlin.
